

Request a Career Panel

Career Services can facilitate and assist with the planning of a Career Panel for your students. Employers representing the industry most closely related to your academic program will be on-hand to answer questions posed by the facilitator and students who attend the Panel. With the close cooperation of the academic departments for which Panels are requested, these events can be enormously helpful to students.

Complete, print, and send the form below to Career Services (locations at bottom)

CAREER PANEL REQUEST FORM

Name

Title

Department

Campus

Building

Room

Phone number

Email

Name of Program Chair

What areas of your curriculum would you like to see represented by the panelists chosen to serve? Include other specifics that are of interest to you and your department.
