

CENTRAL PIEDMONT COMMUNITY COLLEGE

Career Services for Community Members

We created services for non-students and Continuing Education course participants who are looking to change careers, perform a job search, and other career-related duties. Read on for an overview of the resources available to you.

Access to a Career Counselor and career development materials

Career Transition Services is a career development program developed especially for individuals who are not taking curriculum coursework at CPCC. Individual services for job search assistance and career development, group sessions for career changers, and other resources are main features of *Career Transition Services*. Visit www.cpcc.edu/transition to learn more.

Web Pages

Feel free to explore our website. There are many links, free resources, and other items community members can access. Pages that might be of assistance include Directory of Companies, Career Links, Articles & Presentations, and more. Many of these are listed in the Students & Graduates section of the Career Services website.

Services & Resources

We keep in touch with career-related services offered by other CPCC departments, as well as outside the college. See different resources that can help you achieve your career goals—great examples of people helping fellow community members. See the collection of community services listed on the community portion of the Career Services Website.

Be of Service

We know that one of the best ways to learn is to teach. What ways can you participate with Career Services in helping students and graduates achieve their goals? See several programs mentioned in the Community section of the Career Services Website.

Career Fair

Our annual Career Fair is open to the community. Learn more by visiting www.cpcc.edu/career/fair and clicking “Information for Job Seekers.”

Updated Career Transition Services News

We always list upcoming Career Exploration Group Sessions on our website in the Community area. Check www.cpcc.edu/career/community often. Contact Career Transitions to make individual appointments (704.330.4846).
