

CENTRAL PIEDMONT COMMUNITY COLLEGE

Career Services for Faculty & Staff

We want to work with you!

To help CPCC Students transition successfully from college student to productive member of the workforce.

Services we offer to help you assist your students along the career development process

- In-class presentations on career-related topics
- Career development and job search assistance workshops and seminars on career-related topics
- Referral process and form for students who need career assistance
- Faculty accounts for Career Services' job posting website, Connections.
- Fun events and professional development opportunities for faculty and staff
- Program specific Career Services Liaisons—your connection to our office
- Availability of Career Counseling and other services at a reduced rate for full-time CPCC Staff

Visit our website

www.cpcc.edu/career/facultystaff contains all the information and tools you need to use our services. Here is just some of what you'll find on our site.

- List of Career Services Liaisons for all academic departments
- Referral form for students
- Presentation request form
- Career Panel request form
- Best Practices Guide-Sheet for career-related class assignments
- Link to post jobs online
- Testimonials from fellow faculty and the latest Career Services news

Testimonials

We love hearing from faculty and staff about how Career Services has helped your students. Here are just a couple samples.

Thank you so much for discussing interviewing skills with the Johnston YMCA GED/ABE class. The students were very impressed with your presentation and learned many helpful tips from the worksheet. This is the second workshop given by Career Services and each one has helped the students improve their ability to gain employment.

- Heather Collins, Adult Literacy Instructor

"I just wanted to thank you for all you do for the Welding Program, the fact that you are in almost weekly contact with new job postings for our Students goes well beyond your job description not to mention your kind thoughtful support of us! I really appreciate all you do!"

- Steve Gore, Program Chair, Welding Technology

Spread the Word

If you receive a job posting alert, let your students and fellow instructors know. We advertise all events on our website; you and your students can learn about upcoming Career Fairs, On-Campus Recruiters, and special events by checking often.

Thank you!

Thank you to the faculty and staff who held class presentations facilitated by Career Services. We appreciate the opportunity to help your students. Don't miss your opportunity for a career-tailored presentation in your class this semester.
