

Second Year: Career Planning & Follow-Through Checklist

Keep encouraging your students to continue working with Career Services throughout their education at CPCC.

	Discuss options with a career counselor and revisit your career plan
	Use the Career Services website and Career Resource Library to research career fields and occupations
	Plan early for career-related summer work
	Attend career-related programs sponsored by Career Services
	Talk with professionals in career fields and occupations that interest you
	Test career options through volunteer work, job shadowing experiences and part-time jobs
	Increase involvement in extracurricular activities and seek leadership roles and join an on-campus pre-professional organization
	Attend workshops or set up an appointment with Career Services to work on career issues such as resume writing and interviewing skills
	Attend the CPCC Career Fair to find out what the market looks like in your chosen curriculum
	Register with CONNECTIONS , Career Services' job listing site
	Visit the WORK-BASED LEARNING COOPERATIVE EDUCATION department (704.330.6217)
