

# First Year: *Self & Career Awareness Checklist*

Encourage your student to take these steps early in their education at CCCC.

	Adjust to transition from high school to college and focus on making good grades
	Visit Career Services EARLY to learn more about yourself by completing career assessments. The career counselor will talk about assessment results and career options
	Attend career development activities (see online calendar for dates and times)
	Identify programs that relate to your interests, abilities, and values; then declare your program of study
	Complete several information interviews to determine if you are on the correct path
	Develop computer skills required by all jobs
	Don't waste MONEY taking courses you don't need! Seek assistance selecting courses with the Counseling and Advising Department
