The symposium will be offered in two sessions. Participants interested in participating in both sessions will need to register separately for each session.

**September 2 - Evening Session, 5:00pm - 8:00pm:** Learn strategies for naturalizing outdoor play and learning settings that provide nature play and learning opportunities, increase physical activity, improve nutrition, and foster a connection to nature and environmental stewardship (recommended for professionals).

**September 3 - Morning Session, 10:00am - 12:00pm:** Develop knowledge and skills regarding children’s healthy development in relation to the outdoors (recommended for students).
