

## Job Description

<b>Job Title:</b>	Associate Vice President Facilities and Construction	<b>Grade:</b>	P
<b>Department:</b>	Facilities Services	<b>FLSA:</b>	Exempt

*The incumbent in this job is expected to assist the College in achieving its vision and mission. Customer focus, college service, and a willingness to assist as needed are expectations for all employees.*

### **General Function:**

Plans, directs, and oversees the operational and budgetary activities of the Facilities Services Division to include Facilities Management, Security, Distribution Services and Facilities Design/Construction. Coordinates assigned activities with other divisions, departments, and outside agencies. Provides highly responsible and complex administrative support to the Executive Vice President.

### **Characteristic Duties and Responsibilities:**

1. Plans, directs, oversees, and participates in the development of divisional work plans to include all construction projects and facilities services operations. Assigns work activities to Directors and Supervisors.
2. Monitors work flow and work products, results, methods and procedures.
3. Serves as primary contact to the internal and external community on capital planning and construction.
4. Supervises and participates in the development and administration of facilities services and construction project budgets. Monitors and approves expenditures as necessary.
5. Develops, plans, and participates in the implementation of divisional goals. Initiates and recommends actions to accomplish these objectives. Actively participates in strategic planning and goals setting activities pertaining to the assigned areas of responsibility.
6. Serves as "College Agent" interfacing with and providing oversight to all third party vendors/contractors at the college.
7. Coordinates division activities with other divisions, departments and outside agencies. Serves as the primary representative for the college with the Office of State Construction, Mecklenburg County agencies, other licensing and funding agencies as necessary.
8. Provides staff assistance to the Executive V. P., confers and advises professional staff regarding areas of responsibility and college-wide issues. Prepares and presents various reports and other necessary correspondence.
9. Supervises and participates in the development of RFPs, bids, contracts and proposals for construction and facilities related services. Negotiates and administers contracts with outside vendors, architects and others.
10. Supervises room rentals, leases, and other property management responsibilities.
11. Review projects and contracts for compliance and take appropriate actions to resolve discrepancies.
12. Develops, implements and evaluates programs and strategies designed to create and maintain safe, functional, secure, clean and orderly facilities to ensure efficient and economical operation.
13. Analyzes problems, trouble-shoots and identifies alternative solutions, project consequences of proposed actions and implements recommendations in support of accomplishing desired results.

The intent of this job description is to provide a representative summary of the essential functions that will be required of positions given this title and should not be construed as a declaration of specific duties and responsibilities of any particular position. Employees will be assigned specific job-related duties through their hiring departments. Specific job-related duties assigned by hiring departments shall be consistent with the representative essential functions listed above and shall not be construed as expanding a particular position's role, scope, FLSA status, or grade. Updated August 2013
