

## Job Description

---

<b>Job Title:</b>	Medical Records Specialist	<b>Grade:</b>	J
<b>Department:</b>	Health Programs	<b>FLSA:</b>	Non-Exempt

---

*The incumbent in this job is expected to assist the College in achieving its vision and mission. Customer focus, college service, and a willingness to assist as needed are expectations for all employees.*

### **General Function:**

The Medical Records Specialist position is needed to maintain accurate student and faculty medical records in order to ensure continued program accreditation for 15 health programs. Accurate student and faculty medical records, criminal background checks and, in some cases, FBI reports, are mandated by the various accrediting bodies and community clinical sites. This position will be responsible for developing and maintaining over 1000 student records annually. In addition, faculty immunizations for all the programs must be maintained.

### **Characteristic Duties and Responsibilities:**

1. Serves as resource for faculty and students in the Health Programs.
2. Collects, reviews, organizes and maintains a variety of highly confidential faculty and student records such as medical records, clinicals, physical examinations and FBI reports.
3. Ensures proper storage, organization and retrieval of information from faculty and student records.
4. Serves as liaison between multiple community clinical sites, program faculty and students.
5. Facilitates student criminal background checks; reviews results and refers cases to clinical sites as necessary.
6. Stays abreast of current and new program health accreditation requirements.
7. Develops and implements processes to ensure that all active student records are up-to-date and non-active student and faculty records are securely stored or purged as appropriate.
8. Develops and maintains student immunization data spreadsheets for clinical sites; communicates new health requirements; tracks student compliance and meets with students.
9. Analyzes medical record documents for completion and accuracy to meet requirements of clinical contracts.
10. Develops requested reports tracking student and faculty compliance, clinical site requirements and others.
11. Other duties assigned.
