1. Which of the following describes the educational program you completed at CPCC in Automotive Systems Technology.

- Diploma
- Associates degree
- 5-10 automotive courses
- 10-15 automotive courses
- More than 15 automotive courses

2. If you *did not* complete a diploma or an associates degree, what responses best describe your reasons for not completing a degree.

- Classes were not offered at a convenient time
- I did not need a degree to achieve my career goals
- I did not want to pursue a degree to achieve my career goals
- The classes I completed helped me to get the job I wanted
- The courses I took did not prepare me for an auto technician job
- I did not like the instruction
- The equipment was too old
- There were not enough cars to use during lab hours
- The instructors did not teach the objectives of the class
- The cost of courses was too high
- I needed to work full-time for financial reasons
- Personal reasons
- Other

3. If you *did* complete a diploma or an associates degree, explain your decision to complete it by marking the response(s) that best describe your reasons for completing the program.

- To get a better job
- To get a different job
- To pursue a total career change
- To obtain more pay
- To obtain a higher degree

4. What was the most positive experience of your educational training at CPCC in the automotive program? (Mark all that may apply)

- Instructors
- Overall training
- Variety of courses

<p>Manufacturer specific training circle one below</p> <ul style="list-style-type: none"> <input type="radio"/> GM <input type="radio"/> Toyota <input type="radio"/> Chrysler

- Equipment
- Other _____

5. What was the most negative experience of your educational training at CPCC in the automotive program?

- Instructors
- Training
- Insufficient variety of courses
- Equipment
- Other _____

6. Did you complete a cooperative work experience class?

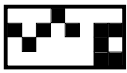

- Yes
- No

7. If you completed a cooperative work experience did you feel it was a valuable part of the program?

- Yes
- No

8. Please rate the status of the equipment in CPCC's Automotive Technology Program for the following areas with which you are familiar.

- | | | | | | |
|---------------------------------|----------------------------|----------------------------|----------------------------|---------------------------------|---------------------------|
| a. Engines | <input type="radio"/> Poor | <input type="radio"/> Fair | <input type="radio"/> Good | <input type="radio"/> Excellent | <input type="radio"/> N/A |
| b. Brakes | <input type="radio"/> Poor | <input type="radio"/> Fair | <input type="radio"/> Good | <input type="radio"/> Excellent | <input type="radio"/> N/A |
| c. Electrical | <input type="radio"/> Poor | <input type="radio"/> Fair | <input type="radio"/> Good | <input type="radio"/> Excellent | <input type="radio"/> N/A |
| d. Suspension | <input type="radio"/> Poor | <input type="radio"/> Fair | <input type="radio"/> Good | <input type="radio"/> Excellent | <input type="radio"/> N/A |
| e. Heating and Air Conditioning | <input type="radio"/> Poor | <input type="radio"/> Fair | <input type="radio"/> Good | <input type="radio"/> Excellent | <input type="radio"/> N/A |
| f. Advanced Engine Performance | <input type="radio"/> Poor | <input type="radio"/> Fair | <input type="radio"/> Good | <input type="radio"/> Excellent | <input type="radio"/> N/A |
| g. Transmission/Transaxles | <input type="radio"/> Poor | <input type="radio"/> Fair | <input type="radio"/> Good | <input type="radio"/> Excellent | <input type="radio"/> N/A |
| h. Manual Drive Train & Axles | <input type="radio"/> Poor | <input type="radio"/> Fair | <input type="radio"/> Good | <input type="radio"/> Excellent | <input type="radio"/> N/A |

9. Please indicate the ASE areas in which you tested. Please indicate your results.

a. Engines

- Took the classes in the test area
- Passed this test area
- Failed this test area
- N/A

b. Brakes

- Took the classes in the test area
- Passed this test area
- Failed this test area
- N/A

c. Electrical

- Took the classes in the test area
- Passed this test area
- Failed this test area
- N/A

d. Suspension

- Took the classes in the test area
- Passed this test area
- Failed this test area
- N/A

e. Heating and Air Conditioning

- Took the classes in the test area
- Passed this test area
- Failed this test area
- N/A

f. Advanced Engine Performance

- Took the classes in the test area
- Passed this test area
- Failed this test area
- N/A

g. Transmission/Transaxles

- Took the classes in the test area
- Passed this test area
- Failed this test area
- N/A

h. Manual Drive Train & Axles

- Took the classes in the test area
- Passed this test area
- Failed this test area
- N/A

10. If you could improve the CPCC's Automotive Technology Program in any of the following areas, which ones do you feel need improvement? (Mark all that apply)

- Classrooms
- Electrical lab
- Engine lab
- Equipment
- Transmission lab
- Instructors
- Other _____

11. Check your preference as a schedule for completing an associate degree program.

- Completing program in 2 years
- Completing program in 2 1/2 years
- Not sure

Thank you for your input!!
