

CURRICULUM PROCEDURES REFERENCE MANUAL

Section 3B

**Curriculum Program Application for a
New-to-the-System Program Title
(Procedures and Accountability Report)**

(New-to-the-System Associate in Applied Science, Diploma, and Certificate Curriculums)

Implementation October 1, 2012

The State Board of Community Colleges has established rules to guide the approval of programs:

- (1) *The approval of a college or of a group of colleges in a collaborative arrangement to award the associate degree, diploma, or certificate shall be by individual curriculum program title. Approval by the State Board shall be granted when the college has demonstrated an established need and has provided evidence to the State Board of sufficient instructional faculty, facilities, equipment, and materials required to meet the needs of the communities served without supplanting or duplicating existing programs.*
- (2) *The application shall be signed by the college president and the chairman of the college's board of trustees.*
- (3) *The System President shall recommend action on the college's curriculum program application to the State Board.*
- (4) *Approval to grant degrees, diplomas, and certificates shall be withdrawn if the State Board determines that a college is not maintaining approved programs or graduation requirements.*

ID SBCCC 400.95

In addition, the State Board has adopted the attached Curriculum Program Application Procedures to guide community colleges in preparing and submitting applications for curriculum program approval.

Submission of Program Application:

Colleges seeking curriculum program approval should submit an application using the attached procedures. All items must be completed and documented as indicated before the program can be considered for approval by the State Board. Colleges are encouraged to contact the appropriate program coordinator at the System Office for assistance in the completion of this application. (See Section 7 of the *Curriculum Procedures Reference Manual* for a list of Program Coordinators).

Two (2) copies of the application with original signatures should be submitted to:

Sharon Morrissey, Ed.D.
Executive Vice President for Programs and Chief Academic Officer
Academic and Student Services
North Carolina Community College System
5016 Mail Service Center
Raleigh, NC 27699-5016

Deadlines:

Program applications may be submitted at any time, but should be submitted within a reasonable amount of time after the initial planning notification.

Completed applications that are received by the first working day of the month will be processed within 90 days of submission.

Example Timeline

March 1 - Application received by System Office
April Board Meeting - System Office presents to Board "**For Future Action**"
May Board Meeting - System Office presents to Board "**For Action**"

The approval process for applications which are received after the first working day of the month, are incomplete, or require further analysis may exceed this 90-day schedule. Since the State Board normally does not meet in June or December, application processing schedules which include these months may also exceed 90 days.

The *Three Year Accountability Report* must be submitted three years after program implementation.

CURRICULUM PROGRAM APPLICATION PROCEDURES

Instructions for Completing Attached Application:

All items must be completed and documented as indicated before the program can be considered for approval by the State Board.

I. Program Planning

Items A and B should be presented in narrative format and include appropriate documentation to support the case for the proposed program. This narrative will serve as the primary resource for the State Board's consideration. The narrative is restricted to three to five pages.

A. Purpose:

Discuss the purpose of the proposed program and demonstrate how the proposed program directly relates to the mission of the college and the college's Institutional Effectiveness Plan.

B. Rationale:

Build a narrative case for starting the new program. The narrative may include the following: an analysis of employment opportunities using existing labor market databases; illuminating excerpts from letters of support from existing businesses and industries; an explanation of the tie-in to local or regional economic development board initiatives; or excerpts from letters of support from county commissioner boards, chambers of commerce, or other relevant stakeholders who can express significant need for the program to be implemented at the college. The rationale should also indicate the method of delivery for the program. Additional information may be provided to substantiate the college's rationale and justification for starting the new program.

C. Local Certification:

Complete the institutional certification. A copy of the minutes from the Board of Trustees meeting(s) at which the proposed program was discussed and approved must be attached to the application.

II. Program Planning Notification

Using the *Curriculum Program Planning Notification Form* to notify all community college presidents, all chief academic officers, and the Senior Vice President and Chief Academic Officer at the System Office that the college intends to apply for the proposed program.

In the notification, please indicate the intended planning area (the specific counties to be served by the program), as well as the anticipated starting semester. If the planning area includes counties served by other community colleges, please identify those colleges in the planning announcement. If the planning area is redefined as part of the application process, a revised program planning notification must be sent to all parties listed above.

Attach a copy of the notification to the application.

A separate notification is required for each program application.

This notification of the intent to apply for the proposed program does not imply or give proprietary right to any college to offer the proposed program.

III. Impact of the Proposed Program on Other Programs in the System

A. Impact Assessment Form

The applying college must send completed hard copies of the *Impact Assessment Form* to other colleges which have been identified as approved to offer the same or similar program(s). Please follow these guidelines:

- If the proposed program does NOT include a clinical requirement, send the Impact Assessment Form to colleges that are approved to offer the same or similar programs and that have a service area which is contiguous to the counties in your service area. The Impact Assessment Forms must document the perceived impact of implementing the proposed program on the existing program(s) at the contiguous colleges.
- If the proposed program includes a clinical requirement, send the Impact Assessment Form to all NCCCS colleges approved to offer the same or similar programs. The Impact Assessment Form should document the perceived impact of the proposed program on existing program(s) at other colleges, including the impact on clinical sites used by other colleges.

B. Documenting Impact Assessment

Include in the application a list of colleges who received an Impact Assessment Form and a narrative summary of the responses received. If the applying college does not receive a response from a college, please attempt to contact that college's president to obtain a response. Attach copies of signed Impact Assessment Forms from all responding college(s).

If the applying college receives a negative response as a result of the original Notification or the Impact Assessment Form, provide a narrative summary of the actions the college took to resolve the negative responses and the outcome of those actions. Document the outcome of a resolution meeting using the Impact Assessment Resolution Form.

C. Impact Assessment Conflict Resolution Appeals Process

If the college presidents cannot reach agreement on the impact of the proposed program, the Senior Vice President and Chief Academic Officer will refer the issue to the System President. If a meeting with the System President does not resolve the issues, the presidents may request a hearing before the Program Committee of the State Board. The Program Committee will make a recommendation to the State Board on the disposition of the proposed program. The State Board's decision regarding resolution of the matter is final.

IV. Implementation of Level III Instructional Service Agreement (ISA) Plan

(Required for both the "parent" and concentration program application, if applicable)

If the applying college intends to collaborate with one or more colleges to offer the proposed program, a Level III Instructional Agreement (ISA) should be included with the program application. Please utilize Section 6 of the *Curriculum Procedures Reference Manual* to obtain the guidelines and suggested format for Level III ISAs.

V. Proposed Program of Study

(Required for Both the "Parent" and Concentration Program Applications)

The proposed program of study should be designed to be in compliance with the curriculum standard approved by the State Board of Community Colleges. The State Board approved curriculum standard for each program is located at:

http://www.nccommunitycolleges.edu/Programs/curriculum_standards.html.

The proposed program of study should also be designed using the appropriate courses listed in the *Combined Course Library* which is located at:

<http://www.nccommunitycolleges.edu/ccl.html>.

VI. Proposed Curriculum Standard

(Required for Both the "Parent" and Concentration Program Applications)

The proposed *traditional* Curriculum Standard should include:

A. Curriculum Description. The curriculum description should briefly describe the program, including statements concerning the purpose of the curriculum, subject areas or types of courses offered, and special features associated with the program.

B. Core Courses. List all the curriculum courses that must be included in the core as required courses or the standard. Include course credit hours and the total number of credit hours for the core. ***A minimum of 12 semester credit hours is required in the core.***

C. Concentrations (if applicable). List all courses required for the concentration under the proposed curriculum standard. Identify those courses that are unique to the concentration and, therefore, may not be offered except in the concentration. Include credit hours for the courses and total hours for the concentration. ***A minimum of 12 semester credit hours is required in the concentration. The majority of the credit hours must be unique to the concentration.***

D. Other Major Hours. List all curriculum prefixes that would be appropriate for use when selecting courses to complete the local Program of Study. A maximum of 9 semester hours of credit (shc) may be selected from any prefix listed, with the exception of prefixes listed in the core or concentration which may utilize more than 9 shc.

If the applying college would like to utilize a curriculum standard which is aligned with a career cluster, the elements identified above should be included along with an indication of the appropriate career cluster, pathway, technical core, program major courses, recommended general education and employability competencies. The applying college should contact the appropriate Program Coordinator at the System Office to determine whether a cluster model curriculum standard should be utilized.

VII. New Courses

If the application contains courses new to the *Combined Course Library*, please submit the proposed course including the proposed course title, hours, pre/corequisites (if applicable), course description, student learning outcomes (if applicable) and restrictions (if applicable). New courses will be reviewed by the State Board and are not required to be submitted to the Curriculum Review Committee (CRC).

VIII. Three Year Accountability Report

A *Three Year Accountability Report* must be submitted three years after program implementation. The report must include information on enrollment, completers, employment, licensure/accreditation and other pertinent information. The *Three Year Accountability Report* should be submitted to:

Sharon Morrissey, Ed.D.
Executive Vice President for Programs and Chief Academic Officer
Academic and Student Services
North Carolina Community College System
5016 Mail Service Center
Raleigh, NC 27699-5016
