Priority Registration

Here's how it works:

- **Students with 50 + completed credit hours** currently enrolled in a degree, diploma or certificate program may begin registering on Thursday, April 24, beginning at 5:00 p.m.
- **Students with 24-49 completed credit hours** currently enrolled in a degree, diploma or certificate program may begin registering on Monday, April 28, at 7:30 a.m.
- **All other currently enrolled spring students** may begin registering on Tuesday, April 29, at 7:30 a.m.
- **New or returning students** (not enrolled in Spring 2008 classes) may begin registering Thursday, May 1, at 7:30 a.m.
- CCE registration is on-going throughout the semester. CCE registration opens April 25.

Log in to your SNAP (CPCC Login) Account and click the Priority Registration link, or check your CPCC email account the first week in April to see your assigned registration date. You will be able to register at any time during the registration period following your assigned date. For more information about priority registration, visit www.cpcc.edu/admissions.

* *Outstanding balances at CPCC must be paid prior to registration.*
