

Updating URLs to EBSCO Articles and Content

Instructions

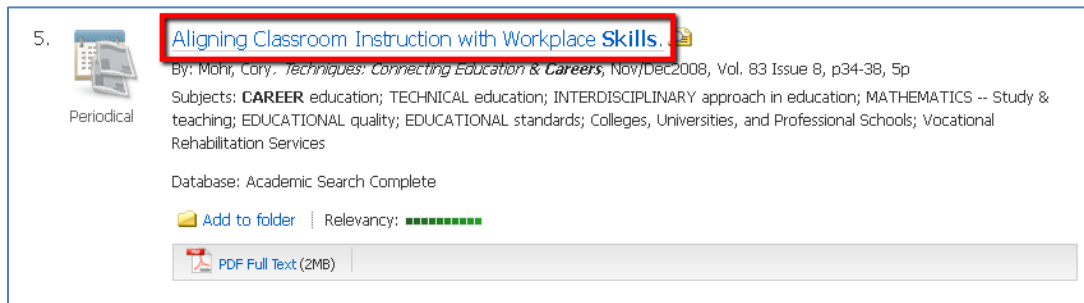

Some CPMC Library EBSCOhost databases were recently upgraded. Use this guide if you have included links in your BlackBoard or Moodle course to articles in the affected EBSCO databases listed in the table below. For example, if you had previously included a link to an article in *Academic Search Premier*, you will need to find the article and use the corresponding URL from *Academic Search Complete*. Detailed instructions are provided below. If you need further assistance contact Steve Osler (steve.osler@cpcc.edu).

Upgraded EBSCO Databases

Prior Database	Upgraded Database
Academic Search Premier	Academic Search Complete
Business Source Premier	Business Source Complete
MasterFILE Premier	MasterFILE Complete
Literary Reference Center	Literary Reference Center Plus
Mas Ultra	Mas Complete
Library and Information Science Abstracts	Library and Information Science with Full-Text
