

## MEASURABLE LEARNING OBJECTIVES

COE115-39/60

### Human Services Technology

*Select 3 objectives from the following list. This should be done with guidance from your Internship Supervisor. If appropriate, you and your Internship Supervisor may develop your own objectives, using the examples below as a guide.*

1. By the end of the semester, I will demonstrate a working knowledge of the host agency/institution by submitting an outline that includes a mission statement, services, fees, and referral sources.
2. By the end of the semester, I will be able to identify verbal and non-verbal cues of clients through observations in a helping interview.
3. By the end of the semester, I will be able to successfully complete a client intake session.
4. By the end of the semester, I will demonstrate knowledge in observing behavior and recording significant observations in descriptive form. This will be evaluated by my site supervisor.
5. By the end of the semester, I will be able to successfully identify and complete the documents and forms used in the host agency.
6. By the end of the semester, I will be able to describe and discuss a specific issue concerning my target population. This will be evaluated by my instructor and/or supervisor.
7. By the end of the semester, I will design/develop a group for my target population.
8. By the end of the semester, I will facilitate a group for my target population.
9. By the end of the semester, I will design an educational module specific to my target population.
