Program Spotlight: Hospitality Education

CPCC’s Hospitality Education program offers Associate of Applied Science degrees in Culinary Arts, Baking and Pastry Arts and Hospitality Management.

The Baking and Pastry Arts program prepares students for a career as a baking/pastry professional in a variety of food service settings. The two-year program includes 11 baking classes that include Artisan & Specialty Bread, European Cakes & Tortes, Cake Design & Decorating, Chocolate Artistry, and Pastry & Baking Marketing.

The Culinary Arts curriculum prepares students for careers as culinary professionals in full service restaurants, hotels, resorts, clubs, catering, contract food service, and health care facilities.

The Hospitality Management curriculum prepares students to understand and apply the administrative and practical skills needed for supervisory and managerial positions in hotels, resorts, inns, restaurants, institutions and clubs. In addition to a two-year associates degree, the program offers diplomas in Hotel Management and in Restaurant Management, as well as five specialized certificates.

Scholarship Night & Parent Information Sessions

We are having our popular Scholarship Night & Parent Information Sessions again this year! Our Parent Information Session will review the details and steps for students to enroll in our College Connection program. This program offers early, priority registration and personalized guidance through the enrollment process. Students get to register at their high school for CPCC classes in March or April, but tuition is not due until July.

We will also have speakers from the Financial Aid department who will discuss financial aid, scholarships and more!
Our remaining session will be held on **March 12, 2015**, at the Levine Campus in Levine I, Room 2150 at 6p.m., check-in also begins at 5:30p.m.

**Students and their parents can RSVP for this event by clicking HERE.**

---

### Upcoming Placement Testing Dates

We only have one Saturday testing date remaining for the year. Any students that do not participate on this date will have to come to a campus to take the placement test on their own time. The placement test is a required [enrollment step](#) for students who do not qualify for the [testing waiver](#).

Registration is required. You can see more information and register by clicking [HERE](#).

Please encourage your students to study for the placement test! We have several resources available on our website to help them prepare for the testing process.

To access review videos and practice tests, click [here](#).  
If a student did not do as well as they hoped, they can find our retest policy information [here](#).
