

10 Easy Steps To Enrollment

Enrollment at CPCC is quick and easy. Here's how to get the process rolling:

1. Enroll in CPCC Transport Systems Technologies AIM Session at www.cpcc.edu/Transport_Systems/aim/. This is a pre-registration Automotive Information Meeting required for all of our prospective Transport System Technology students.
2. Fill out an application and [confirm your resident status](#). Apply on-line at www.cpcc.edu/enroll/ or call 704.330.2722 for a printed form.
3. Prepare for your placement test by reviewing the Accuplacer Study Guide at www.testprepreview.com/accuplacer.htm
4. Take the Accuplacer Placement Test. Check testing center times/locations at www.cpcc.edu/testing_assessment/
5. Visit the Counseling & Advisement Center (located on each campus) to have test results interpreted.
6. Talk to your CPCC Automotive Advisor, whose contact information you will receive at the AIM Session, or by calling 704.330.4122.
7. Request your High School Transcripts be sent to CPCC. A form to send to your previous school can be found on www.cpcc.edu/admissions/student-records. Only after you are sure CPCC has received your transcripts, you can request CPCC evaluate your transcripts by sending the Transcript Evaluation Request Form found on www.cpcc.edu/admissions/student-records.
8. Check for scholarship, grant or financial aid opportunities online at: www.cpcc.edu/financial_aid and on the Transport Systems Technology webpage at: www.cpcc.edu/Transport_Systems/scholarships.htm. Complete the online FAFSA form at: www.fafsa.ed.gov.
9. Create your CPCC Login online at www.cpcc.edu/my_college. This Login will give you access to CPCC's registration website.
10. Register for the classes your Automotive Advisor has recommended on-line at www.cpcc.edu/my_college, by phone at 704.330.6970, or in person at any of our convenient campus locations.

Get There.
