**CPCC Login Home**

In order to access CPCC's many personalized online services you will need a username and password, which will be your official CPCC Login.

To view demonstrations on creating and using your CPCC Login, visit the [My Services Info demonstration page](#).

**Students**

Before you can create your CPCC Login, you must have a college application on file. If you are a continuing education student, you must [submit your profile information](#).

You can [apply to the college online via The College Foundation of North Carolina](#). Once you have filled out the online application, you will receive within one hour an email notifying you that the system is ready for you to create your account.

If you are an existing student but do not have a CPCC Login, you can create one now.

You can read more about the changes to CPCC Login on our [new services information pages](#). If you need assistance or are not sure what to do, see the "Getting Help" section at the top of our [Frequently Asked Questions (FAQ)](#).

**Employees**

You should have received your CPCC Login account as part of the hiring process. If you do not know your CPCC Login account information, please ask your immediate supervisor.

How to Create CPCC Login Credentials

Then, follow instructions to fill in your Student ID and Birthday information.

- Your Student ID is located on your receipt for payment.
- If you do not have your receipt or do not know your Student ID, click on I don’t know my Student ID link on the right which will take you to a page which will allow you to input your social security number instead. The information you input on these pages is secure.
- The last step is to input the text you see in the security image on your screen (not the same as in the picture below, which is shown as an example).
- Then, click Continue

If you experience difficulty, please contact the CPCC Helpdesk at 704.330.5000.
