Workshop Overview

Friday, April 29, 2016
10 am. – 2 pm.

9:00 – 9:55    Registration & Networking Coffee, (ECB first floor)
10:00 – 10:10  Welcome & Overview, (ECB 1106)
10:10 – 11:00  Project Presentations “Math Talks”, (ECB 1106)

**Helping Students Succeed in Math by Improving Reading Skills and Overcoming Math Anxiety**

*Presenter:* Quillie Hunt, Mathematics Instructor, Central Piedmont Community College

5 min. Q&A

**CPCC Habitats in High School Math (AFM/Math 3)**

*Presenters:* J. Patrick Shaughnessy & Chad Parker, Mathematics Teachers, William A. Hough High School, Charlotte-Mecklenburg Schools

5 min. Q&A

**Integrating Quantitative Literacy in General Chemistry Curriculum**

*Presenter:* Sofiya Ivanova, Chemistry Instructor, Central Piedmont Community College

5 min. Q&A
Mathematics is the Language of Physics

**Presenter:** Dr. Carlos Roldan, Physics Instructor, Central Piedmont Community College

5 min. Q&A

---

B2B Bridge to the Baccalaureate: Adaptation-Acculturation-Implementation

**Presenter:** Jodi Turner, Associate Director, P.R.O.D.U.C.E., University of North Carolina at Charlotte

5 min. Q&A

---

11:30 – 11:40   Break

---

Rethinking Math Engagement Strategies across Sectors, *(ECB 1106)*

**Dr. Vincent Snipes,** Professor of Mathematics Education and Director of Center for Mathematics, Science, and Technology Education, Winston-Salem State University

---

12:15 – 12:55   Networking Lunch, *(ECB 1100)*

*Interact with colleagues from other sectors*

---

1:00 – 1:15   Student Voices, *(ECB 1106)*

*Students from each sector will share their “math” stories and perspectives*

---

1:15 – 2:00   Workshop & Closing Remarks, *(ECB 1106)*

*Bruce Johnson, Associate Dean, STEM, Central Piedmont Community College*

---

Thank you so much for participating in our Math Workshop today
