

## **ADVANCED CRIMINAL INVESTIGATION CERTIFICATE PROGRAM**

**NOTE:** All modules may be taken independently without eligibility for a certificate. Upon completion of each module, you will receive a certificate. You will need to show proof of completion for each module in order to receive the Advance Investigation Certificate.

### **Crime Scene Lab and Techniques**

**(Module 1** of the certificate program)

This three-day course is designed for the study of responding to a crime scene, collecting and preserving evidence, and the science behind analyzing evidence. Classroom instruction will consist of lecture and interaction between instructors and students utilizing various multi-media formats (16 hours). Hands-on training will be conducted in an indoor and outdoor field environment (8 hours).

Location: First Day: CMPD Crime Scene Lab and the last two days will be at Merancas Campus.

Instructors: CMPD Instructors, Crime Scene Technicians, Legal Professionals

### **Advanced Interview and Interrogation**

**(Module 2** of the certificate program)

This three-day course is designed for the study of various interviewing and interrogation techniques, as well as the legal issues involved. Classroom instruction will consist of lecture and interaction between instructors and students, utilizing case studies and various multi-media formats (24 hours).

Location: CMPD Training Academy

Instructors: CMPD Detectives/ Instructors

### **Courtroom and Testifying**

**(Module 3** of the certificate program)

This two-day course is designed for the study of testifying in court. Practical exercises will be conducted in a mock courtroom where students will have an opportunity to testify in front of a mock jury and experience being cross-examined (16 hours).

Location: CPCC Merancas Campus

Instructors: CMPD Instructors, Crime Scene Technicians, Legal Professionals
