Horticulture Technology Specialization in Introduction to Landscape Maintenance

(C15240-C8)

Current high school students, here is your chance to develop a strong foundation of horticulture and turfgrass knowledge at no tuition expense to you. Experience hands-on horticulture learning in our greenhouses and classrooms, where you'll have access to state of the art technology and information. You'll learn the latest techniques from skilled instructors who will equip you with the skills needed to start your own landscape maintenance business or find employment in the landscape, nursery, greenhouse, golf course and lawn care industries.
