

# Career and College Promise

## Horticulture Technology – Urban Agriculture (C15240-C9)

Current high school students, here is your chance to develop a strong foundation of horticulture and turfgrass knowledge. Experience hands-on horticulture learning in our greenhouses and classrooms, where you'll have access to state of the art technology and information. You'll learn the latest techniques from skilled instructors who will equip you with the skills needed to find employment in the landscape, nursery, greenhouse, golf course, and lawn care industries.
