

AFA in Visual Fine Arts Transfer Pathway (P1062C)

Career and College Promise

High school students in the Associate in Sciences CCP College Transfer Pathway must complete the entire pathway before taking additional courses in the Associate in Sciences degree. To be eligible for enrollment, a high school student must:

- | | |
|--------------------------------------|---|
| 1) Be a high school junior or senior | 2) Have a weighted GPA of 3.0 in high school courses; and meet the testing requirements for the pathway (if applicable) |
|--------------------------------------|---|

The Associate in Fine Arts College Transfer Pathway is designed for students who wish to begin study toward the Associate in Fine Arts degree and a baccalaureate degree in Visual Fine Arts. The general education requirement includes study in courses selected from the Universal General Education Transfer Component (UGETC) component of the Comprehensive Articulation Agreement (CAA). A student may take up to 8 credit hours of a foreign language and labs in a single language as designated in the CAA. These courses are not part of the UGETC. Students who complete the courses with a "C" or higher will receive transfer credit. The receiving university will determine whether the courses will count as general education, pre-major, or and elective credit.
