Note: Application Eligibility 1. Admission to the Diploma Medical Assisting Program is competitive. Please note that students must complete a separate admission application when ready to apply to the program. 2. The program offers a full time and a part time track. The program admits 24 students per track. Students must obtain their diploma prior to applying to the AAS degree. The full time track is offered in the Fall and Spring. The part time track is only offered in the Fall. 3. Attend an information session or Open House. 4. Complete CIS 110 with a C or higher prior to entering the full time or part time track, or complete by the end of the 1st semester in the program. 5. Demonstrate keyboarding proficiency by typing 30 or more words per minute with 80% accuracy during a scheduled information session. The typing test will be waived for students that have completed OST 131 with a C or higher. 6. Completion of any of the general education courses listed above is recommended, but not required to apply. 7. Course substitutions, if approved by the department that offers the course, are not taken into consideration until one is officially admitted into the program. 8.
