When an applicant completes a FAFSA form online, edits are performed just prior to submission. If prompted, these edits require online confirmation or correction of the information that caused the edit to display. Because information transferred from the IRS does not display to the applicant or parent (nor can corrections be made), any web edits that include information transferred from the IRS will no longer be presented to the applicant or parent. Instead, financial aid administrators are alerted that at least one edit was triggered but could not be displayed to the applicant or parent and therefore, could not be resolved on line. Corrections will need to be completed by the financial aid representative.

Please have the information completed below by your parent(s). You and a parent will need to sign the form, and return it to the Financial Aid Office along with the applicable 2017 IRS Tax Return Transcript(s).

By providing signatures, you are certifying that all of the information on this form is complete and correct. You are also authorizing Central Piedmont Community College to make corrections to your original and/or subsequent applications based on the documents you are now submitting.

Please review the information below to determine who to consider as a parent to complete this form:

- If your parent was never married and does not live with your other legal parent, or if your parent is widowed and not remarried, answer the question about that parent.
- If your legal parents (biological, adoptive, or as determined by the state [for example, if the parent is listed on the birth certificate]) are not married to each other and live together, provide information about both of them regardless of their gender. Do not include information for any person who is not married to your parent and who is not a legal or biological parent.
- If your legal parents are married, include the information for both parents.
- If your parents are divorced or separated, provide the information for the parent you lived with more during the past 12 months. (If you did not live with one parent more than the other, provide information about the parent who provided more financial support during the past 12 months or during the most recent year that you actually received support from a parent.) If this parent remarried at the time you completed the Free Application for Federal Student Aid (FAFSA), provide information about that parent and your stepparent.

Contact 1-800-433-3242 for assistance in determining who to consider a parent.
