A Requirements

With a few exceptions, all male U.S. citizens regardless of where they live, and male immigrant aliens, residing the U.S., are required to be registered with Selective Service if they are at least 18 years old but are not yet 26 years old. Men who are 26 years of age and older are beyond the age of registering for Selective Service.

According to law, a man must register with Selective Service within 30 days of his 18th birthday. Selective Service will accept late registrations but not after a man has reached age 26. Some men who failed to register during the time they were required to do so may now find they are ineligible for certain benefits such as financial aid.

Men born from March 29, 1957 to December 31, 1959 were not required to register because the registration program was not in operation at the time they turned 18. The requirement to register was reinstated in 1980 and applies to all men born on or after January 1, 1960.

B. Exempt from Registration Status

Certain statuses may be exempt from the requirement of registering with selective service. Review the following information below, select the statement that correctly identifies your situation and attached the required documentation as indicated. **If one of the exemption statuses apply to you as listed in section B, skip section C (Selective Service Registration History) and go directly to section D (Certification and Signature). If none of the exemption statuses apply to you in Section B, continue to section C.**

- I am a non-citizen who first entered the U.S. after I turned 26. **Attached a copy of your 1-94, foreign passport with US Visa, or other legal documentation of entrance to the U.S. (Permanent Resident Card will not suffice for acceptable documentation).**

- I was unable to register due to being hospitalized, incarcerated, or institutionalized. If there were any gaps between the ages of 18 and 25 in which you were not hospitalized, incarcerated, or institutionalized, also complete section C. **Attach supporting documentation.**

C. Selective Service Registration History

Complete this section only if none of the exemption statuses applied to you as listed in section B.

The Selective Service will only register males age 18 through 25. However, you may still be eligible to receive aid if you can demonstrate that you did not knowingly and willfully fail to register. If you feel that you are exempt from this requirement, please provide a signed statement explaining your circumstances. You must also provide supporting documentation.

1. **Status Information Letter** - You must provide a Status Information Letter from Selective Service (also known as an Advisory Opinion Letter). The process to receive this letter is initiated by contacting the Selective Service at (888) 655-1825. You may also go to www.sss.gov and follow the directions to request a "Status Information Letter."

2. Where did you live when you were between the ages of 18 and 25?

3. Describe why you were not aware of the widely publicized requirement to register when you were between the ages of 18 and 25?

4. Did you attempt to enlist in any branch of the U.S. Armed Forces? Yes No.

a. When did you attempt to enlist? (enter date) _____

b. Were you rejected? Why? _____

c. How and when were you notified that you were rejected?

Attach documentation from the U.S. Armed Forces to verify that you were rejected.

5. Indicate in writing why you believe that you did not knowingly and willfully fail to register for selective service. Provide detailed information that includes all the facts that support your claim. For students who were incarcerated or institutionalized, please provide specific dates and indicate why you knowingly and willfully failed to register during any gaps in which you were not incarcerated or institutionalized. Students without military service who knew of the registration requirement but chose not to register are considered to have knowingly and willfully failed to register and are therefore ineligible for Financial Aid. **Attach supporting documentation. Appeals without supporting documentation will be automatically denied.**

Attach separate pages as necessary.
