Apply for FSA ID

Students, parents, and borrowers are required to use an FSA ID, made up of a username and password, to access certain U.S. Department of Education online systems. Your FSA ID is used to confirm your identity when accessing your financial aid information and electronically signing your federal student aid documents. An FSA ID is a username and password that you must use to log in to certain U.S. Department of Education (ED) websites. Your FSA ID identifies you as someone who has the right to access your own personal information on ED websites such as the Free Application for Federal Student Aid (FAFSA®) site at fafsa.gov.

It's important to understand that the student and the parent may not share an FSA ID: Your FSA ID is your signature, so it has to be unique to you. If you are a parent of a dependent student, you will need your own FSA ID if you want to sign your child's FAFSA electronically. If you have more than one child attending college, you can use the same FSA ID to sign all applications, but each child must have his or her own. Please note: Each FSA ID user must have a unique mobile phone number and/or e-mail address. If you do not have a FSA ID, please go to: <https://fsaid.ed.gov/npas/index.htm> and create FSA ID.

Certification and Signature

Please provide your signature. If you are a dependent student, please also provide one parent's signature whose information is listed on your FAFSA. By providing signature(s), you are certifying that all of the information on this form is complete and correct. You are also authorizing Central Piedmont Community College to make corrections to your original and/or subsequent applications based on the documents you are now submitting.
