

June Monthly Newsletter

New Website

We were excited to launch the new logo and website for Central Piedmont Community College on April 30, 2019. Please review our new website because it has changed. We are ecstatic about the change and transition that Central Piedmont is experiencing!.

Spotlight Programs

Respiratory Therapy

In the respiratory therapy program at Central Piedmont, you will master skills in patient assessment and the treatment of cardiopulmonary diseases. These skills include life support, monitoring, drug administration, and treating patients of all ages in a variety of settings. You will also become well-versed in cardiopulmonary anatomy and physiology.
