

## Approved Programs

### REQUIRED FOR GRADUATION

- Advertising & Graphic Design
- Automotive Systems Technology
- Baking & Pastry Arts
- Biomedical Equipment Technology
- Construction Management Technology
- Criminal Justice
- Culinary Arts
- Developmental Disabilities
- Diesel and Heavy Equipment Technology
- Horticulture Technology
- Hospitality Management
- Human Services - Generalists
- Interpreter Education
- Turfgrass Management Technology
- Substance Abuse

### TECHNICAL ELECTIVES

- Accounting
- Air Conditioning, Heating and Refrigeration
- Architectural Technology
- Associate in Arts (college transfer)
- Associate in Fine Arts – Music (college transfer)
- Associate in Arts – Pre-Journalism (college transfer)
- Associate in Science (college transfer)
- Broadcasting & Production Technology
- **Business Administration Concentrations**
  - Human Resources Management
  - Global/International Business
  - Marketing & Retailing
- Collision Repair and Refinishing
- Computer Engineering Technology
- Computer Integrated Machining Technology
- Electrical Engineering Technology
- Electrical Systems Technology
- Graphic Arts & Imaging Technology/ Flexography
- **Information Technology Concentrations**
  - Information Assurance & Digital Forensics
  - Networking Technology
  - Cloud & Virtualization Technology
- Integrated Machining Technology
- Interior Design
- Geomatics Technology
- Geospatial Technology
- Mechanical Engineering Technology (2013 & prior)
- Medical Office Administration
- Office Administration
- Office Administration - Legal
- Non-Destructive Examination Technology
- Paralegal Technology
- Simulation & Game Development
- Supply Chain Management
- Sustainability Technology
- Welding Technology
