

WORK-BASED LEARNING

APPROVED PROGRAMS

REQUIRED FOR GRADUATION

- Baking and Pastry Arts
- Biomedical Equipment Technology
- Construction Management Technology
- Criminal Justice Technology
- Culinary Arts
- Graphic Design
- Horticulture Technology
- Hospitality Management
- Human Services Technology
 - Addiction and Recovery
 - General Social and Human Services
- Interpreter Education
- Simulation and Game Development

TECHNICAL ELECTIVES

- Accounting and Finance
- Air Conditioning, Heating and Refrigeration Technology
- Architectural Technology
- Artificial Intelligence Technology
- Automotive Systems Technology
- Business Administration
 - Global Business
 - Human Resources
 - Marketing & Retailing
 - Project Management
- Civil Engineering Technology
 - Civil Engineering Technology
 - Geomatics
- College Transfer Programs
 - Associate in Arts
 - Associate in Fine Arts - Theatre
 - Associate in Science
- Collision Repair and Refinishing Technology
- Computer Integrated Machining Technology
- Cosmetology
- Diesel and Heavy Equipment Technology
- Electrical Systems Technology
- Information Technology
 - Application Development and Data Analysis
 - Network Management and Cybersecurity
- Interior Design
- Mechanical Engineering Technology
- Mechatronics Engineering Technology
- Medical Office Administration
- Non-Destructive Examination Technology
- Paralegal Technology
- Public Safety Administration
- Supply Chain Management
- Sustainability Technologies
- Welding Technology
