Our records indicate that you have withdrawn from all of the courses that have already started for this semester. However, you are enrolled for a course starting later during this same semester. You are not considered to have completely withdrawn from the college if the Financial Aid office obtains a written confirmation from you at the time you withdraw that you will attend a module that begins later in the same semester. Without confirmation of future attendance, our records will indicate that you have ceased attendance and a Return to Title IV calculation will be performed. Visit our website for more information on Return to Title IV Funds.

Applicable Semester(s):

Fall Semester Spring Semester

Summer Semester

Certification

I understand that the U.S. Department of Education provides regulations governing the awarding and disbursement of federal student aid. These regulations have impacted my financial aid disbursements due to dropping a course, being dropped for non-attendance, withdrawing, or receiving an unearned 'F' from one or more of my courses at Central Piedmont Community College. By initialing the following, I express my understanding of each statement:

☐ I understand that in order for a Return to Title IV calculation not to be completed at this time, I am required to reaffirm my

intent to attend the remaining course(s) I am enrolled for this semester. If I do not attend the future course(s) for which I am currently enrolled, a Return to Title IV calculation will be completed, and I may owe money to Central Piedmont and/or the U.S. Department of Education.

- ☐ If I do not attend the course(s) starting later in the semester, my financial aid will be adjusted to the hours that I attended. An adjustment of aid may also result in a balance being owed to Central Piedmont.

Please Select One

- ☐ I **Do** plan on attending the module class/classes that begin later in this semester. Please list course(s):

Course Name (ex MAT-111-B0123)	Course Start Date

- ☐ I **Do Not** plan on attending the module class/classes that begin later in this semester.

You should drop these future classes either online or in person with Registration in order to avoid being billed the full tuition and fees for classes you do not plan to attend.
