Child Support Not Paid

☐ I did not and my spouse did not pay child support.

Child Support Paid

☐ Either I or my spouse did pay child support

Central Piedmont Community College's Financial Aid office considers child support paid by the student or the student's custodial contributor in the prior tax year (January 1 through December 31).

Important: The child for whom the child support was paid **cannot** be a child included in the number in the household on the student's FAFSA.

If we have reason to believe the information regarding child support paid is inaccurate, we will ask you to attach verification. Acceptable documentation would be: a signed, notarized statement from the individual receiving the child support verifying the amount received for the year, copies of the cancelled child support checks, money order receipts or similar records of electronic payments having been made, or a pay stub (from the end of the tax year) showing the year-to-date child support wage garnishments/deductions/withholdings.

If you need additional space, please include your written information with this form.
