Your 2025–2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information you and your parents reported on your FAFSA. In the verification process we will compare the information reported on the FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit this form and other required documents to Central Piedmont Community College’s Financial Aid office. If you have questions about verification, contact your financial aid counselor as soon as possible so that your financial aid will not be delayed.
