Verification

We are verifying information you reported on the Free Application for Federal Student Aid (FAFSA). Our records indicate that you do not have a bachelor's degree, but you indicated on your FAFSA that you will have a bachelor's degree by July 1, 2025. You are not eligible to receive a Federal Pell Grant if you have a bachelor's degree, the equivalent to a bachelor's degree (i.e., foreign college or university degree), or that you are working on a degree beyond a bachelor's.

Please indicate whether or not you have a bachelor's degree by selecting the correct answer:

- ☐ I **do** have a bachelor's degree, the recognized equivalent, or I am currently working on a degree beyond a bachelor's degree. (Choose this option if you have attended another institution and you graduated or you are in college now and will graduate with a bachelor's degree by the start of the 2025-2026 academic year.)
- ☐ I **do not** have a bachelor's degree, the recognized equivalent, or higher earned in the United States or in another country. (Choose this option if you have not attended college or university before or if you are in college right now, but will not have a bachelor's degree by the start of the 2025-2026 academic year.)
