

Business Administration - Business Operations (C25120C5) | 18 Total Credits

The Business Operations track exposes students to various fields of specialty in the business world in addition to preparing students for further study in the field of business. Upon completion students are prepared for entry level positions in small and medium organizations. To see how this connects with the full degree, view the course sequence [here](#).

Total Pathway Credit hours: 18

Eligibility Requirements

To be eligible for enrollment, a high school student must meet the following criteria:

- Be a high school junior or senior
- Have an unweighted GPA of 2.8 or greater or Benchmark test scores or have the recommendation of the high school principal or his/her designee

Note: This pathway is an option for some high school freshmen and sophomores, however; different eligibility criteria apply. Please view this on our [website](#) under the eligibility criteria for Career and Technical Pathways.
