CENTRAL PIEDMONT
COMMUNITY COLLEGE

WELCOME

Welcome to Central Piedmont! The mission of Central Piedmont is to facilitate student learning, success, and completion. Central Piedmont provides exceptional education and globally competitive training in an engaging, supportive environment.

As a service to the community, we offer a variety of rental spaces throughout our six diversified campuses, which include classrooms, computer labs, conference rooms, lobbies, and small auditoriums for meetings and events. Our team provides excellent customer service and works closely with clients to determine their needs so we can better assist with coordinating logistics such as AV and parking.

All interested parties must submit a [rental application](#), as well as a current [certificate of insurance](#), and will assume all fees associated with the event. An application and a current certificate of insurance must be submitted from the requesting organization for processing and approvals a minimum of two weeks prior to the date of the event. Applications will be considered one month prior to a subsequent semester, and spaces cannot be rented further out. All assessed fees must be paid in full prior to the date of the event.

Thank you for considering Central Piedmont for your next meeting or event. We look forward to working with you.
