Scenario 1

A student completes Class A & B with passing grades. The student starts attending Class C but is reported as *Stopped Attending* (a Last date of attendance - LDA is reported) by the instructor on 4/3/15. The student never starts Class D and never officially withdrawals from either class (C or D) and is never officially withdrawn by the college from either class. We have only disbursed financial aid based off of the credit hours for Class A & B. Class C and D have had no refund of tuition due to the student not officially withdrawing before the start of the two modules.

-A R2T4 will have to be processed due to the fact that the student did not complete their initial intent to attend four classes.

Course E	1/4/2015	5/28/2015

Scenario 6

A student completes Class A with a passing grade and completes Class B with an F (student attended full length of Class B). The student starts attending Class E but is reported as *Stopped Attending* (a Last date of attendance - LDA is reported) by the instructor on 2/17/15. The School drops Class C & D on 3/8/15. The student has only been disbursed for the credit hours from Class A, B & E. The student gets a full tuition refund for Class C & D.

-A R2T4 will have to be processed due to the fact the student was removed from future courses after the student had fully stopped attending their active classes that had started. Since they are no longer attending any classes when they are dropped, we are required to go off of their intended schedule that was initially registered at the beginning of the term.
