

Occupational Therapy Assistant Program

Objectives: Fieldwork Level I, Placement 3

The following fieldwork objectives are important to meet college and professional standards for the Occupational Therapy Assistant (OTA) program required course.

The [Central Piedmont OTA Program Fieldwork Website](#) contains policies and procedures for fieldwork (FW), course syllabi, and programmatic information. Please review the objectives below and ensure that each educator in your facility understands them, as well as reviews them with students, to ensure successful experiences.

Fieldwork I, Placement 3: Final Level I Fieldwork

Students will:

- Learn about clients by reviewing charts, interviewing clients and family members, and/or interviewing staff.
- Assist in the development and implementation of at least one Occupational Therapy intervention that addresses physical and psychosocial needs of a client or consumer.
- Document client response to treatment and/or purposeful activity.
- Review the OT Process (including evaluation, intervention, and outcomes) for at least one client, as appropriate to the setting and approved by the supervisor.
- Work effectively with facility staff and demonstrate an understanding of the roles of team members.
- Demonstrate professional behavior, such as initiative, preparedness, dependability, cleanliness, and effective time management.
- Demonstrate positive people skills, such as cooperation, flexibility, tact and empathy.
- Demonstrate respect for diversity and differences.
- Examples: race, religion, gender, and lifestyle choices.
- Demonstrate use of appropriate safety precautions to protect participants, staff, and students.
- Adhere to privacy principles at all times.
- Respond constructively to feedback.
- Demonstrate knowledge of the role of occupational therapy in this particular setting
- Demonstrate knowledge of and responsibility for meeting the objectives listed above.

If you have any questions about the objectives, please contact Megan Leach McCann, Academic Fieldwork Coordinator: megan.mccann@cpcc.edu or 704.330.6756.

If you agree with the objectives listed on page 1, please complete and return this signature page (page 2). Please keep the objectives (page 1) for your records.

Objectives for Fieldwork I, Placement 1: Final Field Level I Fieldwork

I, _____ have read and understand the Central Piedmont OTA program's student objectives for the above fieldwork course.

I am confident that this facility: _____ can offer the students a fieldwork experience that will meet the objectives.

Please choose one:

☐

This facility will use the Central Piedmont OTA programs Fieldwork Objectives with no additions.
